SHIPPING INFORMATION:

Western Event Service will be responsible for control of all freight in and out of the show and will have priority at the loading dock at all times. Please see the attached rate sheet for freight service options and charges. With the short time frame available for move-in, and the limited loading facilities, we strongly suggest that all freight be sent to the Advance Freight Warehouse to be included with our delivery to the show.

The last day we can receive Advance Freight for this show is Wednesday, September 25. Freight sent to the above address must arrive on or before Wednesday, September 18th, to avoid late freight handling surcharges. Freight, which arrives after this date, will be accepted, but will be assessed late freight handling surcharges as outlined on the attached Rate Sheet.

Advance freight will be received and stored for up to 30 days prior to the show at no additional charge. Please send all advance shipments as per the enclosed freight forwarding information and **mark all pieces MUST BE MARKED as follows:**

Forwarding Instructions at Close of Show

Exhibitor must complete outbound bill of lading prior to the close of show. Exhibit material or freight left without proper paperwork on file will be returned to the Official Freight Service warehouse at owners expense. Unless otherwise arranged, all shipments will be sent directly from show site at the close of show via the freight service specified by the Exhibitor. Exhibitors must make their own ship-out arrangements for any shipments being shipped out directly from show site by their own designated carrier(s). Any shipments not picked up by the end of dismantle will be sent via the freight service specified as the Official Freight Service for this show.

At the close of show, Exhibitor is responsible for making all freight ready for outbound shipment. Outbound shipment Bill of Lading must specify type of service and specific carrier selected, or one will be assigned. Unless using the Official Freight Service designated for this show, it is the Exhibitor's responsibility to contact the carrier they have selected for their outbound shipment(s) and schedule their pick-up at the close of show.

Please be aware that any material left on the show floor remains your responsibility, until picked up by your designated carrier. Neither Show Management, Western Event Service or the Facility accepts any responsibility for any material left unattended on the show floor. Freight left on the show floor without proper instructions, will be returned to our warehouse and additional handling, transportation and storage charges will accrue.

Regardless of selected carrier, all outbound shipments must be written up on a Western Event Service *Outbound Shipping Instruction* form and returned to the Service Desk, prior to outbound handling. **Please fill out and return a completed Payment form along with this Order for Freight Handling Service.**
